Right Fabric, Right Price

Two things decide whether a kit feels right on the pitch: the fabric it is cut from and how well it fits. This guide covers both, with full specifications and complete measurement charts.

- Seven performance fabrics compared side by side
- Full size charts for mens, womens and youth fits
- Made to measure available at no extra cost
- Free physical fabric swatches posted worldwide

Made To Measure

If a player falls outside these charts we can cut to individual measurements. Send us a size list with the order and we will build the pattern around it.

Measure over light clothing with a soft tape held snug but not tight. If a player sits between two sizes, size up for a relaxed fit or down for a tight match fit.

Measurement	How To Take It
Chest	Around the fullest part of the chest, under the arms, tape level
Waist	Around the natural waistline, at the narrowest point
Hip	Around the fullest part of the hips and seat
Body length	From the highest point of the shoulder straight down to the hem
Inseam	From the crotch seam down the inner leg to the ankle
Height	Standing straight without shoes

Step	Instruction	Avoid
Washing	Machine wash cold at 30C, inside out	Do not use bleach
Drying	Line dry in shade	Do not tumble dry sublimated garments
Ironing	Cool iron on reverse only	Never iron directly over prints
Storage	Store dry and folded	Avoid prolonged direct sunlight
