What We Can Do For You

We produce under our own name for clubs and leagues, and under yours for brands. Your labels, your packaging, your tech pack, our factory floor.

- Private label and full OEM programmes
- Your woven labels, hang tags and packaging
- Pattern blocks held on file for fast reorders
- Inline and final inspection on every order
- Confidentiality and non disclosure agreements signed on request

Performance Fabrics

Every fabric in our range is selected for a specific job. Compare weights and end uses below, and ask for physical swatches if you want to feel them before ordering.

Fabric	Specification	Best For	Key Benefit
RX Pro Knit 145	145 gsm interlock polyester	Match jerseys, replica kits	Moisture wicking, four way stretch
RX Air Mesh 130	130 gsm micro mesh	Training tops, hot climates	High breathability, quick dry
RX Power Dry 160	160 gsm pique polyester	Basketball jerseys, polos	Structured hand feel, holds shape
RX Flex Spandex	88 percent poly, 12 percent elastane	Compression, base layers	Second skin fit, muscle support
RX Tricot 190	190 gsm brushed tricot	Tracksuits, warm ups	Soft inner face, wind resistant
RX Reverse Mesh	Double layer bonded mesh	Reversible jerseys	Two colourways in one garment
RX Heavy Fleece 280	280 gsm cotton blend fleece	Hoodies, team wear	Warm, heavyweight, brushed back

Not Sure Which Fabric?

Tell us the sport, the climate and the budget. We will recommend the right fabric and send free swatches by post so you can check the hand feel before committing to production.

Made To Measure

If a player falls outside these charts we can cut to individual measurements. Send us a size list with the order and we will build the pattern around it.

Ready To Order?

Send us your style codes, artwork or just a reference photo. We reply with a free digital mockup and a no obligation quote, usually within 24 hours.
